Environmental Policy Statement

Titeflex Corporation is dedicated to conserving natural resources and protecting the global environment. We will seek to shape our operations, processes, and products for continual improvement and the prevention of pollution. Implementation of this policy is a primary management objective and the responsibility of every employee and all person working on behalf of the organization.

Specifically, we are committed to:

- Compliance to ISO 14001, all regulatory requirements
- Monitor and review our performance on a regular basis to our Environmental Management System and all regulatory and other voluntary requirements
- Assess and revise environmental objectives and targets on an annual basis
- Pursue a philosophy of continuous improvement that will enhance environmental management performance and pollution prevention efforts
- Our policy will be posted in our lobby and is available for public review
- Share with other concerned constituents any environmental expertise developed within Titeflex Corporation.
- Respond positively to customer environmental programs
